Personal Testimony

I was raised in a Christian home but came to know the Lord as my personal Savior through hearing about the saving grace of Jesus Christ in my high school sophomore Bible class and through the nurturing spirit of my teachers at my Christian High School. Since that time I have grown in my faith and understanding of God, and I trust Him to use me in the building of His kingdom. I believe that God has called me to teaching, and my desire is to follow His calling passionately and glorify Him in all that I do.

Classroom

I desire to glorify God through partnering with parents to provide students with a Christ-centered spiritual and academic program of excellence. My prayer is that my students will grow in their knowledge of God and His love for them and will be excited about learning, as they develop the gifts that He has given them for lifelong service.
