

Welcome to Kindergarten!

Teacher: Linzi Foreman

Home Church: First Baptist Church of Maryville

Family: Married with three children

My Personal Testimony.

As a young child I attended a Church of England school. My family did not attend church on a regular basis but I was still told about God. I was not saved as a young child and it took many circumstances and life experiences for me to realize that I needed the Lord Jesus as my savior. As I look back I can see His faithful footprints on my life's path. My husband who is in the United States Air Force was given an assignment to move to Misawa, Japan. I didn't want to leave my family in the UK to say the least. However, we made the trip with our only son at the time across the world to a country I did not want to go to. We were invited to church numerous times. One Sunday we decided to go. We started attending Calvary Baptist Church where we heard the gospel. I can only tell you my heart was so heavy and I knew I needed Jesus in my life as my savior. My husband and I were saved and baptized together!

Goals for my classroom:

My goal is to provide a learning environment that is filled with encouragement, love and fun. Kindergarten will be a very exciting time for your child and they will be introduced to many new concepts from math to reading, art, science, bible, handwriting, PE, and social studies. My goal is to instill a love for school and learning so your child can be as successful as he/she can be. I will strive for your child to leave my class equipped and ready for his/her next adventure in learning.
