

Angela Cox

Director – Maryville Christian School

Home Church: First Baptist Church Maryville

Family: Married with two sons

Message to Parents: On behalf on MCS, I want to thank you for allowing us to join with you in the training and equipping of your children to become strong, effective, and competent followers of Jesus Christ. Our mission at MCS is to serve families by providing a Christ-centered, biblically based education known for academic excellence, spiritual vitality and social development relevant to today's culture while remaining true to God's principles. We look forward to partnering with you on this journey!

General goals and responsibilities for MCS: My responsibilities as the Director of MCS are to oversee many aspects of our school. This would include staffing, registration, curriculum, communication with parents, and working side by side with the school board to grow Maryville Christian School to God's fullest.

We will strive to create a positive and safe learning environment where your children are encouraged to grow spiritually, socially, and academically.

We want children to know that the most important goal in life is to enter into a relationship with Jesus Christ.

Personal Testimony: As a child, I followed the Sunday morning routine and attended church each week. I only knew it was the "right" thing to do, but was unaware of the true meaning behind it.

At age 23, God relocated my husband and me from the Midwest, where we had always called home, to sunny South Florida. It was there my eyes were open to God's love, grace and mercy. At that time, I came to know Jesus Christ as my personal Lord and Savior. As I entered into a personal relationship with Him, I learned to trust His plan for my life. I continue to seek His face each day in all I do. I know without a doubt I am here to be used by God.
